HASU Media Pack

About HASU

Hello! Welcome to Harper Adams University Students' Union 2019-2020 media pack. With over 4,000 students and many of them living on site or within the immediate vicinity there has never been a better opportunity to engage with our students to promote your brand and create loyalty from the beginning.

Our students are ambitious, professional and open-minded, dedicated to their studies and keen to explore new ideas and new things. Over 3,000 students will attend our freshers fair this September on the look out for the best brands, the best buys and the best places to hang out while they are at University.

There are plenty of opportunities to engage with students throughout the freshers fortnight and the rest of the year. A technically savvy bunch, they respond well to emails, social media, and experimental marketing. Whatever your marketing needs, we've got the creativity and opportunity to make it a success.

The following pages should give you a flavour of why and how you could work with us.
