

# Emma Mayers for SU President

## **About me:**

*I am a final year REALM student and am currently a Student Warden in Boughy Halls. I am also the RAG Chairlady for the SU and was the RAG Secretary in my second year at Harper.*

*By voting for me, I will try my best to make the future of the SU great by listening to the student voices and acting on their ideas.*

***I CAN'T PROMISE THE WORLD, BUT I CAN TRY MY BEST!***

## **WHAT I WOULD LIKE TO ACHIEVE:**

*What the SU have achieved already this year has shown their values and passion towards the students time at Harper Adams and I would like to carry these on into the coming year (and maybe some added extras as well).*

- **Cost of living-** *ensuring that the SU are helping students get their moneys worth with events happening over the year. I would also like to carry on with the FREE events that the SU offer and hopefully have more opportunities throughout the year and organise some different events for ALL students to benefit from.*
- **Sports and Societies-** *as we all know the Sports and Societies clubs play a big part in the social life at Harper, so it is my aim to always help the clubs with events/campaigns they would like to organise throughout the year and let them have as many opportunities that are possible to raise money for their club, charities and other resources that will help them.*
- **SU Execs-** *I will always want the SU execs to know that I am here to support them with their roles over the year and that me and the Vice President will be a team and make the year 2023/2024 a GREAT YEAR for the SU!*

## **MOVING FOWARD:**

- **Inclusive for ALL students:** *organising inclusive activities/events for EVERYONE, with the help of societies & clubs to introduce them and learn about their work within the Harper community.*
- **SU/Course clothing:** *new additions and some limited addition products to release over the year.*
- **End of term FUN DAY:** *finish each term on a positive note with a fun day full of activities, food and drink (alcoholic and non-alcoholic).*
